

Trailblazing the Path in a Sustainable Era

APIC 2024

Asia Petrochemical Industry Conference
May 30-31, 2024 Seoul, Korea

APIC in Brief

Asia Petrochemical Industry Conference (APIC) is

- Premier gathering of Asian industry leaders and global experts
 - Excellent business networking opportunity
 - Valuable platform for information exchange and communication
- Started as East Asia Petrochemical Industry Conference (EAPIC) in 1979 by Korea Petrochemical Industry Association (KPIA), Japan Petrochemical Industry Association (JPCA), and Petrochemical Industry Association of Taiwan (PIAT)
- Changed its name to APIC with more members from Malaysia, Thailand, Singapore and India

APIC 2024 Website

APIC 2024 Theme

“Trailblazing the Path in a Sustainable Era”

Despite various challenges, explore the outlook on where and what the next green shoots of growth opportunities are.
